

Christmas 2020

It is my desire that, in this our time, by acknowledging the dignity of each human person, we can contribute to the rebirth of a universal aspiration to fraternity.

Dear Sisters!

God, in God's eternal longing for humanity, comes to dwell among us. Emmanuel, God with us, becomes a child, vulnerable and dependent, so that by accepting the fragility of our own humanity we can fully entrust ourselves to the Father.

May this blessed time of Christmas open us up and make us aware of God's presence and action in ourselves, in every person and in events.

May Jesus, who longs for our happiness, find a loving home in the heart of each one and in our communities.
